

Mathematics Term 1 Unit Assessment (1)

Name: _____ () Unit: A1 3-digit numbers

Class: P.2A Marks: _____/40

Date: _____ - 2024 Parent's signature: _____

1. Fill in the blanks. (12 marks)

H-Hundreds

T-Tens

U-Units

(a) Write the number shown in the abacus above in words.

(b) In the number shown in the abacus, the number in the tens place is _____. It stands for _____.

(c) In the number shown in the abacus, the number in the hundreds place is _____. It stands for _____.

2. Use the three number cards below to form numbers. (12 marks)

(a) The largest 3-digit number is _____.

(b) The smallest 3-digit number is _____.

(c) The largest 3-digit odd number is _____.

3. Arrange the following numbers. (4 marks)

4. Write numbers according to the pattern. (4 marks)

5. Each box has 100 rubber bands.

8 boxes have _____ rubber bands. (4 marks)

6. Each pack has 25 oranges. Dad wants to buy 75 oranges.

He should buy _____ packs. (4 marks)

✱Challenge (4 marks)

Draw 6 beads on the abacus. The number shown in the abacus should be larger than 300 but smaller than 350.

The number is a 3-digit odd number.

Mathematics Term 1 Unit Assessment (2)

Name: _____ ()

Unit: A2 Addition and subtraction

Class: P.2 _____

Marks: _____/40

Date: _____

Parent's signature: _____

Calculate the following. (@4 marks)

1.
$$\begin{array}{r} 854 \\ + 146 \\ \hline \end{array}$$

2. $665 + 321 =$ _____

3. $217 + 176 + 58 =$ _____

4.
$$\begin{array}{r} 5 \\ - 18 \\ \hline \end{array}$$

5. $71 - 33 =$ _____

6. $67 - 23 - 13 =$ _____

7.

18 dollars

38 dollars

62 dollars

(a) Tim buys a toy car and a toy plane. He should pay _____ dollars altogether. (4 marks)

(b) Tim pays 50 dollars for a toy car.
_____ dollars are left. (4 marks)

* Challenge (4 marks)

Kiki has 67 English storybooks. The number of English storybooks is 12 fewer than the number of Chinese storybooks.

Kiki has _____ storybooks altogether.

Mathematics Term 1 Unit Assessment (1)

Name: _____() Unit: A1 3-digit numbers

Class: _____

Date: _____

1. Fill in the blanks. (12 marks)

H-Hundreds

T-Tens

U-Units

- (a) Write the number shown in the abacus above in words.

six hundred and five

- (b) In the number shown in the abacus, the number in the

tens place is 0. It stands for ~~0~~ (0).

- (c) In the number shown in the abacus, the number in the

hundreds place is 6. It stands for 600.

2. Use the three number cards below to form numbers. (12 marks)

- (a) The largest 3-digit number is 710.

- (b) The smallest 3-digit number is 107.

- (c) The largest 3-digit odd number is ~~710~~ 710.

3. Arrange the following numbers. (4 marks)

4. Write numbers according to the pattern. (4 marks)

5. Each box has 100 rubber bands.

8 boxes have 800 rubber bands. (4 marks)

6. Each pack has 25 oranges. Dad wants to buy 75 oranges.

He should buy 3 packs. (4 marks)

*Challenge (4 marks)

Draw 6 beads on the abacus. The number shown in the abacus should be larger than 300 but smaller than 350.

The number is a 3-digit odd number.

Mathematics Term 1 Unit Assessment (2)

Date: _____ 2024

Calculate the following. (@4 marks)

1.
$$\begin{array}{r} 854 \\ + 146 \\ \hline \end{array}$$

900

2. $665 + 321 =$ ~~986~~

3. $217 + 176 + 58 =$ ~~451~~

4.
$$\begin{array}{r} 675 \\ - 18 \\ \hline \end{array}$$

57

5. $71 - 33 =$ ~~48~~ (38)

6. $67 - 23 - 13 =$ ~~31~~

7.

18 dollars

38 dollars

62 dollars

(a) Tim buys a toy car and a toy plane. He should pay

56 dollars altogether. (4 marks)

(b) Tim pays 50 dollars for a toy car.

48 (32) dollars are left. (4 marks)

8. For a hotel buffet, each adult should pay 234 dollars and each child should pay 120 dollars. Dad and Mum bring a Primary 2 child, Leo to have the buffet. How much should they pay altogether? (Show your working) (8 marks)

$$\begin{array}{r} 234 \\ + 120 \\ \hline 354 \end{array}$$

$$234 + 120 = 354$$

$$234 + 234 + 120 = 588$$

$\therefore$ They should pay \$ (588)

* Challenge (4 marks)

Kiki has 67 English storybooks. The number of English storybooks is 12 fewer than the number of Chinese storybooks.

Kiki has 79 (146) storybooks altogether.
