Subject : Let's go to the new shopping mall next time!

Dear Lucy,

Thank you so much for the e-New Year's card. I wish you all the best in the coming year too.

I know Aunt Sarah and Uncle Matt are in Singapore right now. Are you bored? You can come to my house on Saturday. We can visit Grandpa and Grandma in the morning. Then we can go to Sunshine Shopping Centre in the afternoon. It only takes ten minutes to walk there from my place.

Sunshine Shopping Centre is new and it has seven floors! There's a cinema and it's showing the movie *The Dinosaur*. There are many clothes shops and shoe shops too. We can do some shopping. I really need a pair of new shoes for school. My old shoes are too small! It's easy to find a good restaurant in the shopping centre and there's a nice hotel nearby. I know you enjoy having a buffet lunch!

See you later!

Love,

Sue
